Snow? Get Cars Off Streets

The village of Antioch has asked for the cooperation of residents in regard to parking during snow removal operations.

Automobile owners are asked to park on streets only for short times during 12 midnight and 7 a.m. If snow exceeds one inch, you are asked to park off the streets in order to permit the snowplows to remove the white stuff properly.

THE VILLAGE board announced Monday night that vehicle stickers are now on sale turn to Page 3

Referendum Facts Going Out To Voters

Efforts to inform voters about the Dec. 14 grade school referendum will be increased during the next week.

At its meeting last week the District No. 34 board of education decided to send out question and answer sheets to parents of students.

An explanation of the probationary status imposed on the district by the state of Illinois also will be sent to parents.

Posters being made by students are being distributed to business establishments.

On Saturday, Dec. 14, voters in the grade school district will be asked to increase the educational tax rate by 45 cents per \$100 of assessed valuation.

THE ANTIOCH Community High School board last week went on record in support of the grade school referendum.

In other action the high school board approved spending \$10,810 for a new school bus. The price includes \$7,018 for a GMC chassis from Pedersen Bros. Implement and \$3,792 for a

SANTA DRAWS WINNING TICKETS

Anne Lorang Wins New Car

Santa Claus turned his attention, momentarily to the business of drawing the winning tickets in the Antioch Lions Club Car Raffle last Saturday at the Rescue Squad Building.

For a very special Christmas, first prize winner, Mrs. John (Anne) Lorang, 410 Shore Drive, Lake Villa, won the car of her choice, a Chevrolet Nova

(John Teresi Chevrolet-Olds, Inc.), a Ford Torino (Lyons-Ryan Ford Mercury, Inc.); a Pontiac Ventura (Don Pittman Pontiac Motors, Inc.); or Dodge Dart (KenWal Dodge, Inc.).

The \$500 second prize series "E" savings bond was drawn by Santa for Mrs. James (Sharon) Harrison, 351 Oakwood Drive, Antioch. Third prize, a \$100 Series "E" savings bond, was

won by Mrs. Richard (Jean) Daniel, Bayview Drive, Antioch.

Present for the drawing were Lions Club members, from left in photo, Dave Bushing, president; Mike Haley, Pres Reckers and Earl Stringer. Children waiting for Santa are unidentified.

Proceeds from this successful event go to the Antioch parks and playgrounds.

Grade School Band Concert

Members of the Antioch Grade School Band are inviting the public to its Winter Concert on Sunday, Dec. 15 at 7 p.m. at the Upper Grade School.

The hour-long performance will be made up of the Junior (intermediate) band, the Beginning band (students from Oakland, Channel Lake and the Lower Grade Schools) and the Senior band.

This is the first concert under the direction of Mr. Larry Wagner. It will feature several special selections by the various sections along with holiday music performed by each band.

The board opened bids on the new public works building to be constructed at the site of the village garage on Turner Dr. Benes Construction Co. was the low bidder with a total of \$15,067.

The trustees also approved three new volunteer firemen. They are Robert Yanca, Thomas Brannigan and Wayne Parthun.

The board then authorized the village attorney to draw up an amendment to the building fee ordinance, requiring a \$5 permit fee for installing a water softener.

MAYOR ROBERT C. Wilton began the formation of a Bi-Centennial committee by naming William E. Brook as chairman and Clerk Marilyn Sterbenz as the village's representative. The committee will include members of numerous local organizations and will work toward a Bi-Centennial celebration in Antioch in 1975 and '76.

Next Monday's village committee meetings -- safety, licenses, public works and utility -- were moved back two days, to Wednesday, Dec. 11.

EDITORIAL

December has been declared Gifted Education Month in Illinois by Gov. Dan Walker.

He urges parents and educators to become more aware of the special problems and needs of gifted children.

The state education office is sponsoring a conference this week in Decatur for those who work with gifted children.

"Six Talents for the Seventies" is the theme of the conference. The six talents are specific academic aptitude, general intellectual ability, creative thinking ability, psycho-motor ability, talent in the visual and performing arts, and leadership ability.

Because these children are special, because they possess talents and abilities beyond the ordinary, their educational needs are special.

The Office of the Superintendent of Public Instruction has long recognized these needs, by reimbursing districts for approved programs for gifted children. About half the state's 1,039 school districts take part in this voluntary program.

The emphasis in gifted education has changed from the past practice of placing gifted youngsters in accelerated or enriched programs, to providing individualized attention to their needs within the regular classroom.

These children represent a valuable human resource, and from their numbers will come many of the leaders of tomorrow. It is up to us now to make sure each of them has the opportunity to develop his or her special abilities as fully as possible.

Our greatest national resource is probably our gifted and talented children. But because these children consistently excel or have the potential to excel above the average in determined areas of human endeavor, their problems are unique, requiring special care and understanding.

Gifted children, teachers tell us, are found in all ethnic, religious and socioeconomic groups. Unless they are identified and encouraged to develop their natural abilities, the valuable contributions they might someday make to our society will be irrevocably lost.

The progress we have made in the sciences, arts, politics, education and other fields has been due to the vision and expertise of endowed and trained individuals. The future depends, no less than has the past, on the acumen and responsibility of our leaders.

GOLDWATER COLUMN

1974 Was Bad, But It Could Have Been Worse

By SEN. BARRY GOLDWATER

The United States could do a lot worse than to make public an attempt to count its economic blessings in the midst of today's confusion.

A lot of the trouble we face from the combined problems of inflation and recession is psychological in nature.

In other words, the effect of today's high prices and growing unemployment on the public mind only compounds the economic dislocation causing the original trouble. Thus, the more emphasis the government and the news media place on trouble spots in the economy, the more such spots there will be and the more trouble we will encounter.

A CASE in point is the government's cost-of-living index which shows the change in prices of items regarded as essential for human subsistence. When the Labor Department reports an increase in the index every month it has an impact of enormous importance

on other segments of the economy.

A growing cost-of-living index spells trouble all along the way. It means the aged and others living on fixed incomes will again have to tighten their belts. It means that blue-collar workers must begin to worry about the future of their employment. And it means that more and more people will have to seek "moonlighting" jobs to meet the family budget.

And these are only a few of the consequences of this kind of economic dislocation. Regardless of what it takes to meet the problem, there is only one sure thing: It will be difficult on the individual wage earner in this country as well as on the members of his immediate family.

WE HAVE for too long taken for granted the extremely high living standard that we were maintaining. We took to heart the idea that we were living in the "affluent society" and that things would always remain stationary or improve.

Realistically speaking, we have had a lot of bad news on the economic front, and it has been the kind of news that spelled discouragement for the workers and downright despair for many retired persons.

But there have been some encouraging developments. And that's what I meant when I mentioned counting our economic blessings. It's not easy to explain but it is important because the things that have gone right for us are largely tragedies that failed to occur.

FOR EXAMPLE, many economists find it encouraging that the oil-consuming nations have

Along the way with ANNIE MAE

I bet all you snowmobilers were happy this weekend. Sure didn't make good driving for the end of the holiday, though.

Talk about women's Lib? Marge Gaa is sporting the largest smile, after she won top Saleslady at Lyons-Ryan Ford for Nov. For her efforts she wins a weekend for two, all paid at the Stardust Hotel in Las Vegas. Keep up the good work, Marge... A Happy Thanksgiving at her house was having her son, Jim, home from St. Norbert's College in De Pere, Wis. for the week...

Karen and Leonard Di Mauro are enjoying their new home on Garys Drive. Good luck and welcome back to Antioch, Karen (Delaney).

Mr. and Mrs. Bruce Price of Tuscon, Arizona became the parents of a bouncing baby boy on Tuesday, Dec. 3. Kirk Michael tipped the scales at 8 lbs. 6½ oz.

Lenore (Leider) and Bruce have a daughter Kristine, also.

Grandparents are Mr. and Mrs. Donald Leider of Antioch and Mr. Arthur Price of Scottsdale, Arizona.

Congrats to Ann Lorang, winner of the car donated by the Lions Club.

The basketball season is underway again with the fighting Sequoits making a good showing at the Barrington tournaments. Nice to hear that Mike Perrone and Russ Albano were selected for the all-star tournament team.

A very speedy recovery to Helen Murrie who is a patient at Victory Memorial Hospital.

Whoops we forgot - Anniversary congrats were in order for Jeannine and Joe Leonhart who celebrated number 3 on Nov. 27.

Lots of birthdays this week. Many happys to Bea Forbrick, Frank Ehrhardt, Irene Bletsch,

Mary Ann Cermak, Joe Cermak, Carry Ellen Polson and Matt Johnson who celebrate Dec. 5, to Mary Fries and Pat Harvey on the 6th, to Dan Kasik on the 8th, to Jerry Schmidt on the 9th and to Peggy Kelly on the 10th.

The Antioch News had a special guest this weekend. Betsy Rossen, our summer reporter, was here for a visit. Really nice to have her and we all hope we'll see her soon.

HEAR TELL the Messiah concert at St. Benedicts Abbey this past Sunday was lovely. If

you weren't able to attend, try to go this Sunday when the group will give its second performance at 8 p.m.

Mark your calendars now - both the high school and grade school bands are having their winter concert on Sunday, Dec. 15. See calendar for time.

Remember Hospitality Night this Thursday marks the beginning of the Christmas store hours in Antioch. Be sure to come and see all the lovely window decorations and join in the holiday fun.

See ya,

not become bitter competitors for the small supplies that exist and they instead have shown a tendency to work thing out on an equitable basis.

In addition, all those frightening forecasts of prolonged scarcities of vital products and raw materials have been proved wrong. We have had shortages, but they have been easing in areas ranging from nails to newsprint, from copper to cotton, from utility poles to electric wires. Shortages are expected to ease for even more products in 1975 and the list includes such essentials as fertilizer and chemical fibers.

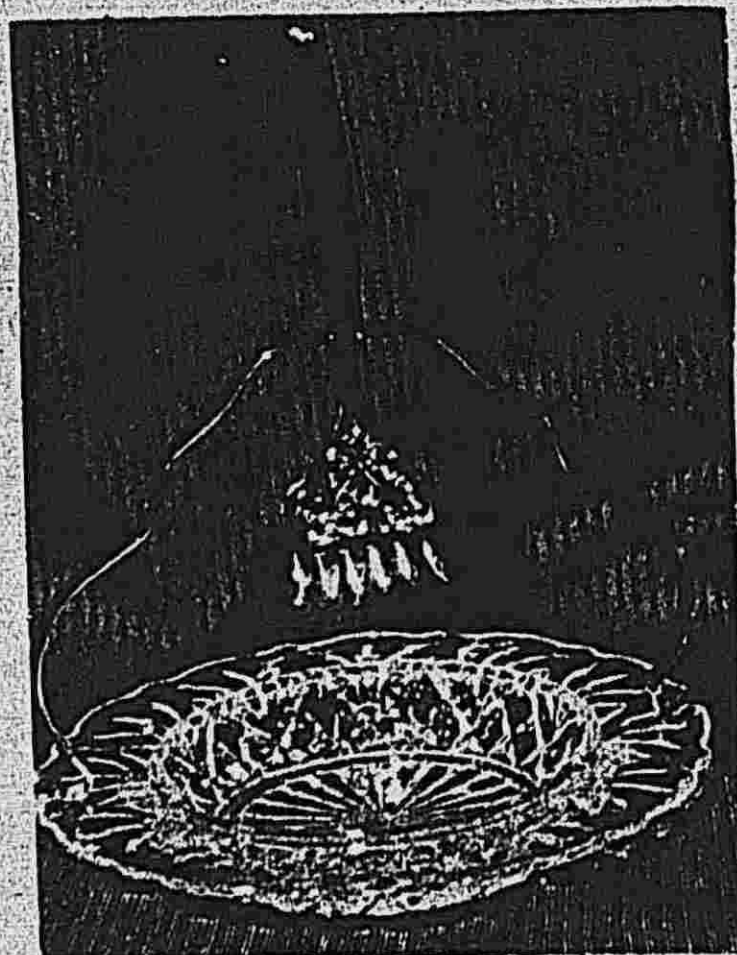

All in all, 1974 should wind up as a bad year but one which did not produce the serious crisis which many businessmen and officials predicted.

70 YEARS AGO DECEMBER 1, 1904

William Keulman spent Monday and Tuesday in Chicago purchasing new stock for the holiday trade.

Fred and Chauncey Barber left on Tuesday for Chetek, Wis., where they have purchased a farm. Their families will follow in a few days.

50 YEARS AGO DECEMBER 4, 1924

Fire completely gutted out the interior of one section of the Capt. E. L. Bradley home, on the extreme northeast of the Allendale group of buildings overlooking Cedar Lake at Lake Villa shortly after noon on Monday.

The Public Service stores this week are highlighting irons for \$1 by Sunbeam, the Iron of Irons.

20 YEARS AGO DECEMBER 2, 1954

The Coast Guard Auxiliary flotilla at Fox Lake has been ordered disengaged from the Coast Guard as a result of numerous complaints received by the Coast Guard district that the flotilla has been acting in a law-enforcing manner, which it has no power to do. A number of Antioch community men are members of the unit.

The Antioch Grade School will give its first annual Christmas concert at 8 p.m. Tuesday in the school gymnasium featuring composers such as Tchaikowsky and Rachmaninoff.

10 YEARS AGO DECEMBER 3, 1964

Sheriff's Deputy Fred E. (Bud) Zeason, Antioch, has been chosen by Orville (Pat) Clavey, Coroner-elect, as his new chief deputy coroner. He will start his new duties at the same time Clavey is sworn into office, next Monday.

"The Elves and the Shoemaker" is the special Christmas offering for children at the PM&L Theatre the next two weekends. Among the performers are Daisy Bevington, Lucille Evanoff, Mary Lou Parker, Garnet Oddsden and Dan Seyfarth.

"Toys for Tots," the special Christmas project of Marine Corps Reserve, is proceeding throughout Lake County. Barrels have been placed in public places to deposit toys to be passed on to needy families at Christmas. Antioch's barrel is in the State Bank of Antioch.

Postal Hours Extended

The Antioch Post Office will extend its regular hours beginning Monday, Dec. 8 to 8 a.m. to 5:30 p.m. Monday through Saturday. These hours will remain in effect until Saturday, Dec. 23.

Youth Service Bureau Organized

The board members of the newly formed Lake County Youth Service Bureau held their Nov. 20 meeting at Omni House in Wheeling. Peter Digre, executive director, and Harry Wells associate director gave a slide presentation of Omni House goals and progress during their two years in existence, and a tour of their facilities which was helpful to the new Lake County Bureau's site selection committee.

In October, the new group elected Juvenile Judge Harry Hartel, Jr., as president; Terrance Rawlings, vice-president; Vernon Cook, secretary; Mrs. Elmer Klein, treasurer. By-laws were approved and applications for executive director were narrowed down from 56 to 8 who were interviewed by the personnel committee.

Great progress is being made by the enthusiastic board of the Youth Service Bureau which will co-ordinate available services for juvenile justice, reduce referrals of juvenile offenders to the courts, provide guidance and counseling, and respond to the needs of young people in trouble.

Starting on Dec. 3, the Youth Service Bureau will meet monthly at the Cook Memorial Library in Libertyville, a central location for board members who come from all over Lake County.

PUBLICITY DEADLINE IS MONDAY

Because so many clubs and organizations are submitting publicity releases on Monday afternoons and Tuesday mornings, the Antioch News is having trouble squeezing all of the information into the newspaper. So once again we must strictly enforce our deadline of Monday noon for publicity releases. And, for best results, it would help if you got them to us on the previous Friday. Thanks for your cooperation.

Legion Of The Moose

Plans were discussed for the early fund raising project at the November meeting. Ron Wilson suggested the hall needs some new tables. The discussion was tabled until the January meeting in order that

more members could be present to help with the decision.

Ernie Cook took on the task of doing the dishes and Howard Laursen handled the raffle.

A bulletin was read informing the membership that the annual dues are being raised, however, you do have the option of buying in advance, a maximum of 5 years, before June 15 of next year.

The legion Christmas party is planned for Saturday, Dec. 14, at 6:30 p.m. Following a pot luck supper, there will be entertainment by Judy Cook and a \$2 gift exchange. Gifts should be wrapped and marked ladies or mens. Your own name inside.

As a special treat, Ray Stickler has promised to bring some of his frog legs and turtle

meat. He assures us there will be plenty for everyone - if Anne fixes it! Ernie Cook will provide champagne for dinner to celebrate all the December birthdays in honor of his wife, Judy.

Iceless Hockey League

The Lindenhurst Citizen's Recreation Committee will sponsor an iceless hockey league for boys in grades 1 through 5. Registration will be on Dec. 7 at the Trinity Methodist Church in Lindenhurst from 10 a.m. to 1 p.m. A fee of \$10 will include a hockey stick.

Hospitality Night

On Thursday, Dec. 5, the Antioch Chamber of Commerce & Industry retail committee will sponsor "Hospitality Night" from 6:30 to 9 p.m.

Simple refreshments along with prizes and gifts will be provided by participating merchants. Look for the banner in the window. Santa will tour the

shopping areas passing out candy and strolling carolers will delight shoppers with their holiday music.

This begins the Christmas shopping season with stores open until 9 p.m. Monday through Friday and on Sunday until 4 p.m.

Legion Auxiliary

The Yuletide atmosphere of tinsel and other decorations will transform the volunteers room, building 4, at Downey Hospital into a gay shopping mall.

Volunteers of the American

Legion Auxiliary are setting up the Christmas gift shop there this week.

Dolls, stuffed animals, toys and gifts for wives and children will fill the "Mall." Patients can select a gift for each member of their immediate family, at no cost to the patient.

Auxiliary volunteers will gift-wrap and address them for mailing.

Among the chairmen in the project are Mrs. Jack Horan of Antioch and Mrs. John Koller of Lake Villa.

The annual 10th District dance and party at Downey is scheduled Dec. 12 at 7 p.m.

CHRISTMAS WILL come early to the Arden Shore Home, Allendale School for Boys and the Lake Villa Central Baptist children's Home when the 10th District American Legion and its Auxiliary bring their annual "Christmas Caravan" to these homes on Saturday.

Mrs. Everett Ainsworth, chairman, says all who wish to take part should be at the Lake Region Post in Fox Lake at 11 a.m.

As a group they will visit the homes and distribute gifts. Each of the children will receive a Christmas stocking from Santa and his helpers.

GRASS LAKE SCHOOL NEWS

The Grass Lake School PTO group has given a donation of \$245 to be used for the school's library reference material. The group now is collecting Betty Crocker coupons and Campbell soup and bean labels to purchase playground equipment.

The PTO is also sponsoring a Bingo Game, to be held this Sunday.

Sue Sedivec of the police department received permission to use the Grass Lake school gym for community basketball games on Tuesdays during December.

The following guidelines were adopted by the Board for student eligibility: 1. Completion of homework, tests, classroom assignments, classroom attitudes and classroom participation. 2. Students who are continually disruptive in school will be made ineligible.

The contract for Jim Weiss to be the basketball coach has been accepted.

No Postage? Mail Won't Go Through

Antioch Postmaster Walter Barnas today reminded customers that effective the U.S. Postal Service is no longer delivering mail on which there is no postage.

Barnas said the new policy was instituted because of the high costs incurred by the Postal Service in its attempt to deliver such mail. Officials estimate that such costs total

\$18 million annually.

Letters mailed without postage are now returned to sender if there is a return address, or to the dead letter office, instead of being delivered to the address as postage due mail. Postal officials will attempt to find the sender of unpaid mail and return it for a slight fee, if there is no return address.

"Naturally we realize that

someone could inadvertently forget to put a stamp on a letter or that a stamp could come off prior to cancellation, so we urge mailers to be sure to include a correct return address on their mail," Postmaster Barnas said.

Emmons Raiders Win

The Emmons Raiders out-scored Big Hollow 18-3 in the middle stanza's and went on to win 37-21. The Raiders played Big Hollow to a 7-7 first half standstill.

Off to a slow start offensively, they needed two field goals in the closing seconds of the second quarter to pull into a tie at intermission.

In the third quarter, the Raiders came out with a hot hand. Completely dominating all aspects of the game, the raiders pulled ahead to stay.

Leading the Raiders in points was Nick Carl with 12, while Roger Plechaty added 10 and Scott Gallagher tallied 7. The

losing Warriors were led by Guy Haluorson with 10. Greg Bodin controlled the boards with 15 rebounds, 8 offensive and 7 defensive rebounds.

On the seventh grade front Emmons escaped with a victory on the come from behind heroics of Mike O'Brien, Dee

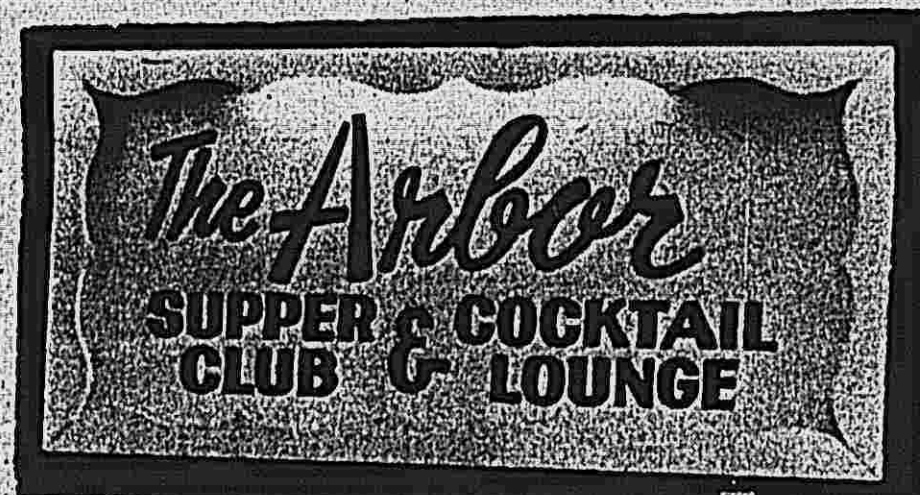

Maras and Kurt Selak. This trio combined for seven points in the closing minutes. Maras added several rebounds and blocked a shot in a key moment. O'Brien led the Emmons team with 10 and Maras added 8, while Big Hollow was led by Brian Ricci with 10.

THINKING BACK

With nostalgia sweeping the country, why not go attic-hunting for Christmas gifts? Memorabilia from the '20s, '30s, '40s and even the '50s, while hardly considered antiques, have become popular. That old cover from a magazine someone in the family forgot to throw out would make an excellent gift when matted and framed.

Lyons-Ryan Sales People Win Trips

Three members of the Lyons-Ryan Ford Mercury sales team have been rewarded with trips to Las Vegas and the Abbey at Fontana, Wis.

Marge Gaa won first prize in the November sales contest and she and her husband, Don, won the trip to the Stardust Hotel in Las Vegas.

Don Carden and his wife,

Karen, won second prize and were rewarded with a trip to the Abbey. John Prill and his wife, Mona, placed third and also will enjoy a weekend at the Abbey.

Despite "the impending hardships of the auto industry," Larry Ryan, president of Lyons-Ryan, said he was "determined to keep gloom out of his showroom."

"We are in a good area with a full line of new cars," he said, "including the hottest car of the year - the new Granada - plus a balanced inventory of used cars. So all we have to fear is a negative attitude."

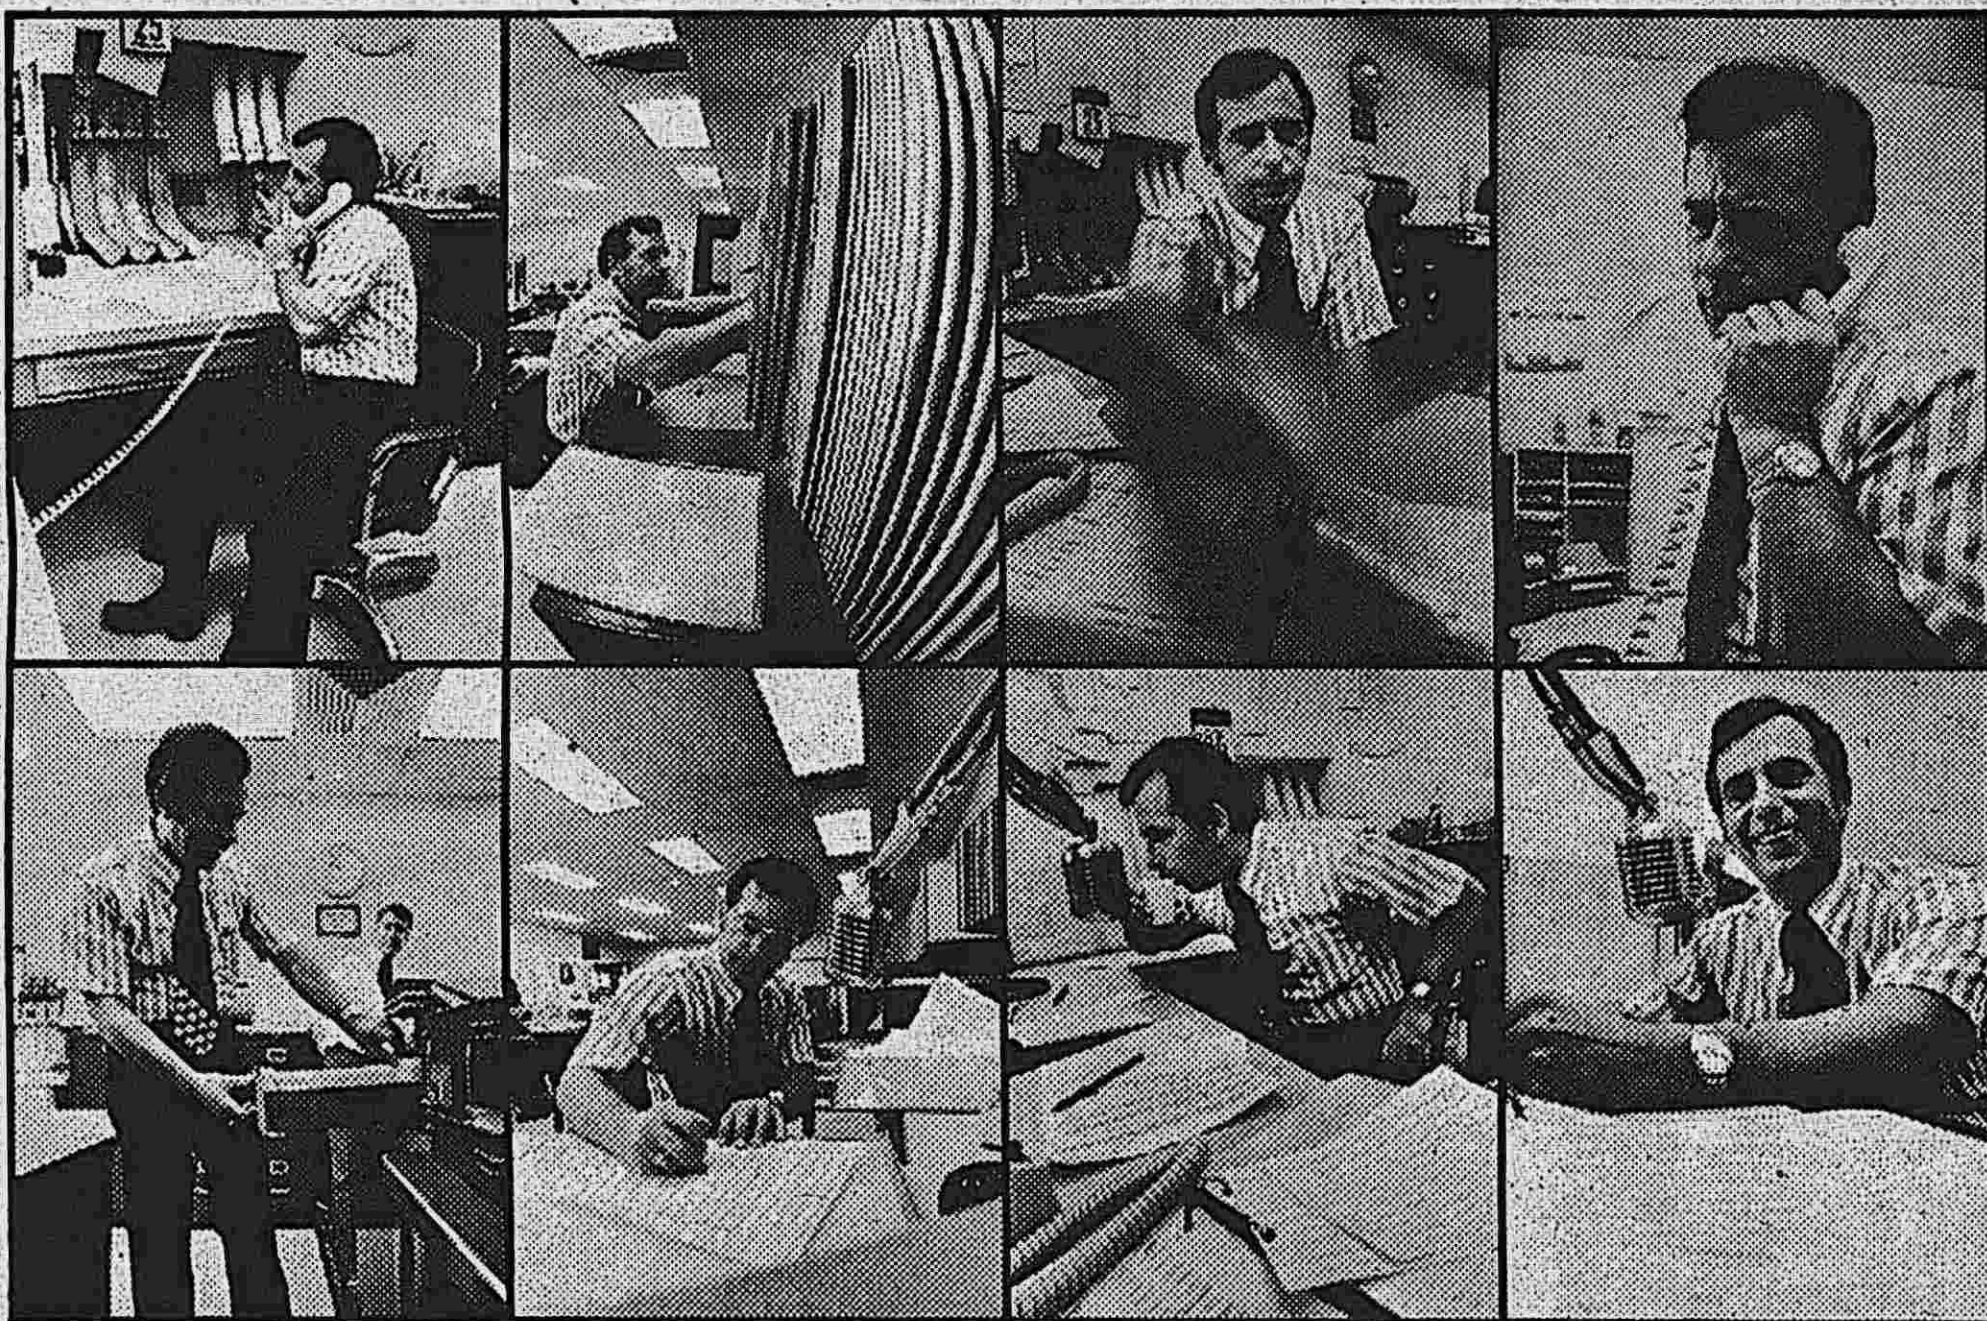

He kicked off the November contest with a champagne breakfast and a four-piece band, which boarded a pickup

truck and paraded through town with cars following and horns blowing.

Spouses of the sales people served as their "managers" and the contest was underway.

The winner, Marge Gaa, had worked for the firm a year when she was asked to be a sales lady.

"At first I thought Mr. Ryan was kidding," she said, "but I

John Fanella, computer.

There's a "device" in this room that's equipped with an immense memory bank that can receive customer complaints, sort through a maze of lines and cables, then send a crew to the trouble spot, all in a matter of minutes. That's him in the striped shirt.

His name is John Fanella and he's one of the many Edison dispatchers who are ready for action 24 hours a day, 7 days a week. Because when there's an emergency, it's the dispatcher who gets the call. He's the man who uses raw

information and his powers of deduction to estimate where, along the thousands of miles of overhead lines and underground cable, the problem lies. He's the man who then sends out the emergency crews to track it down and solve it. And because electricity is so vital to the welfare of a city, he must do all this with computer-like efficiency - whether the problem is an overloaded transformer or a tornado.

John Fanella has been through storms so bad that emergency crews had to be called in from as far away as Colorado. He's worked through the night restoring electricity

to a factory so people could go back to work in the morning. He's even sent out a man to rescue a pet cat stranded on a pole.

In a day when some companies rely heavily on the impersonal response of a computer, we're glad to have John and our other dispatchers. As he puts it: "I have the highest respect for this department and our people. They're the most dedicated people I've ever met. But you've got to be dedicated to be in this business."

Items Valued At \$1,007 Taken From Van

A Lake Villa resident reported to Antioch police last week that his van was broken into while parked behind the stores on the east side of Main St. in the downtown area.

Walter J. Hull of 107 Cedar Ave. said a window lock was broken off to gain entry.

Missing were stereo speakers, tapes, a spare tire, a tool box and other items valued at a total of \$1,007.

YOUTH-GOVERNMENT AWARENESS WEEK

Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

Members of three Antioch High School government classes, under the direction of Mr. Gary Allen, participated in a Youth-Government Awareness

Week program recently.

It was sponsored through the community Relations Office of the Antioch Police Department.

The students spent their morning hours with members of the village government and police department and learned

the specific job description, problems involved and qualifications needed for each position.

Village officials who participated devoted their time to instruct the students. Included were Mayor Robert Wilton,

Police Chief John Wells, Village Clerk Marilyn Sterbenz, Treasurer Shirley Gutowski and Trustees Mike Haley and Marge Nelson.

Also participating were Walter Shepard of the public works department, Garnet Cook and Sandy Domke, police dispatchers, and Chuck Miller, police officer.

One repeated comment of the young people was that there

GRAFFITI

MAKE
IT A
SAFETY BELT
FOR THE
ROAD

was more involved in running a village than they had realized.

They learned that village workers put in a lot of time to keep communications alive in the village and to organize programs and settle problems for members of the community.

The village government and police department has devoted many hours for the benefit of the community and this was especially indicated in their willingness to work with the young people during the week of Nov. 18.

I hope the young people gained some insight into the workings of the Antioch community and now have a more complete picture of their village.

I also hope they have learned that the village government needs the support of the community to effectively govern and protect them.

I thank all of the persons, village government, police department and high school for their participation and encourage other members of the community to take time out to learn about their government and to become concerned citizens.

Grass Lake Loses Opener

In a non-conference game the Hornets of St. Patrick eased by Grass Lake 32 to 22 despite a late thrust in the final period. Pat Sikorski made three baskets but it wasn't enough to catch St. Pat's.

High scorer was Ron Palmieri for the Hornets with 12 points. For the Braves, Chucky

Kempf dropped 11 points and was the workhorse for Grass Lake.

In the first game for the 6th and 7th grade St. Patrick's stomped Grass Lake 25 to 2.

Grass Lake's first conference game is with last year's champion, Emmons, on Thursday.

Sequoits Face Lake Zurich

There will be a lot of excitement at the Antioch High School basketball arena Friday night.

The town's beloved Sequoits will play their first home game. And if last week's Barrington Turkey Classic is any clue, local fans will thoroughly enjoy the fun.

Lake Zurich's Bears are the opponents and Antioch will be favored.

Sophomores perform at 6:45 p.m. and the varsity teams take over at 8:15.

Antioch lost its opener at Barrington, a 62-61 thriller against tough Elgin Larkin. Then the Sequoits humiliated Cary-Grove 71-37 before polishing off Barrington 64-53.

They finished second to Larkin in the tournament. Lake Zurich, meanwhile, was losing three straight games in the Crown tournament at Carpentersville. Coach Roger Andrews will be cautioning his Sequoits against over-confidence, of course. Lake Zurich has a couple of talented shooters in Rick Jobes, a 6-1 junior forward, and Ted Kaczar, a 6-0 senior.

pounds, poured in 28 points for Larkin.

"Mike Perrone had a super tournament," Andrews said. "Offensively, we shot pretty good in all three games and that's encouraging." The Sequoits made 47 percent of their shots against Larkin, 82 percent against Cary-Grove and 50 percent against Barrington.

Coach Andrews said Kimball, a junior, showed signs of coming along well as a varsity player. He also mentioned that Witt "had a real good tournament, handling the ball well and adjusting to some alterations made in our defense."

The Sequoits held Barrington to 20 points in the second half Saturday and Andrews called it "a tribute to our defense. Barrington is a lot more powerful than that."

After Lake Zurich, the Sequoits will prepare for a Dec. 13 game at Round Lake and a Dec. 14 game here against McHenry.

Charles Klemz Wins Contest

Almost everyone who entered the Antioch News basketball contest last week picked the Sequoits to beat Cary-Grove.

But nobody expected them to win by 34 points.

Charles Klemz, of 413 Orchard St., said Antioch would win by 16, and he came closest. His guess was good for the \$15 first prize.

Shayne Schroeder of Linden-

hurst won the second prize, a \$10 gift certificate at Four Squires, and Grace Warren won the third prize, a \$5 gift certificate at A&B Printing.

Another contest appears in today's Antioch News. The object is to forecast the outcome of Friday night's Antioch-Lake Zurich game. Entries must be received or post marked prior to 5 p.m. Friday.

Once again, first prize is \$15. Second prize is a \$10 gift certificate at the BJ Rush Photography Studio, and third prize is a \$5 gift certificate at Gibbs and Jenssen's "Carousel" in the Antioch Shopping Plaza.

Antioch Sophs Suffer Losses

The Antioch High School sophomore basketball team opened its season with a loss to Elgin-Larkin in the Barrington Tournament.

Trailing 19 to 9 at the end of the first quarter the Sophs were never able to recover and lost the game 72 to 43. Leading scorers for Antioch were Don Norwick with 15 points, followed by Pat Houghton with 12, Mark Stewart with 8 and John Grippando with 4.

In the second game of the tournament the Sophs lost to Cary-Grove by a score of 60-49. The Antioch team played Cary-Grove even until midway into the third quarter when Cary pulled to an eight point lead. Leading scorers were Pat Houghton and Don Norwick with 12 each, John Grippando

with 10 and Mark Stewart with 6.

In the final game Antioch lost to the tourney winner and host school, Barrington. The final score was Barrington 63, Antioch 24.

The Antioch Sophs open at home this Friday evening against Lake Zurich, 6:45 p.m., preceding the varsity game.

Varsity Wrestlers Win Thriller

Antioch's varsity wrestlers won their opening home meet with a thrilling, come-from-behind victory over Zion. The

final score was 33-31.

Zion jumped to a 13-0 lead in the first three matches, then Antioch got four straight wins at

119, 126, 132 and 138 pounds to go into a 21-13 lead.

The wins included pins by Shaffer, Nordstrom and Hogan

and a decision by Thain.

Zion then reeled off three straight pins to seize a commanding 31-21 lead with only two matches to go.

Antioch had to pin in the last two weights to win the meet. Art Meyer responded with a fall in 56 seconds at 185 pounds and Mike Weber caught his opponent in 1:03 of the heavyweight match to pull out the victory.

Antioch had a 2-1 record with its first conference meet scheduled this week.

The Sequoias faced Grayslake yesterday. They travel to Lake Zurich Friday and Lake Forest Saturday.

Soph Wrestlers Eye More Wins

Antioch High School's sophomore wrestlers have a 3-0 record and will seek two more wins Friday and Saturday.

They wrestle at Lake Zurich Friday at 6:45 p.m. and at Lake Forest Saturday at 1 p.m.

Last Wednesday the sophs came from behind to beat Zion-Benton 40-24 before a sizeable home crowd.

John Kakacek and Don Traska are the team's leading wrestlers with 3-0 records. Kakacek scored a pin at 132 pounds against Zion and Traska

won a 15-5 decision at 119 pounds.

Rich Whitton and Dan DiGiovanni also pinned their opponents, and Bill Harland suffered a back injury but managed to pin his rival in the second period.

SCENE FROM "MICKEY" -- From left: Dena Fabry, Charles Brown and James Fabry perform in the play that will be given on the

PM&L stage Saturday and Sunday nights. Dena was voted PM&L's "outstanding actress" this year.

Tax Rebate Help For Sr. Citizens

School administrators and teachers from all the area schools will be at the Antioch High School Saturday, Dec. 7, from 9 a.m. to 4 p.m. to assist retired or disabled citizens in the completion of forms for property tax or rent rebate. Citizens who were retired and were 65 years old and those who were disabled should be eligible for a refund if their taxes were more than 6 percent of their income, or if their rent for 1973 was more than 25 percent of their income. Senior citizens or disabled citizens are urged to stop at the High School if they have not already applied and think they might be eligible. Total 1973 income and the amount of property taxes just paid or the amount of rent paid in 1973 are needed for completion of the forms. December 15 is the deadline for this year.

PM&L Presents 'Mickey' This Weekend

The PM&L Theater's holiday production of "Mickey" begins Saturday night. Performances also will be given on Sunday and on Saturday and Sunday, Dec. 14 and 15.

Curtain time each night is

7:30 o'clock. Reservations can be made by calling 395-9702 Monday through Friday from 7 to 9 p.m., Saturday from 10 a.m. to 6 p.m. and Sunday from 2 to 6 p.m.

Among the performers is

Pam Hill, who plays Mrs. Reilly, an old lady whose eccentricities are expected to delight the audiences.

During the play the human

characters, through the magic of theater, become puppets. The point is that imagination and fantasy are healthy things if not carried to extremes.

A good friend knocks before he enters, not after he has left.

The Town Crier

Last week I made the terrible mistake of seeing the movie, "The Exorcist."

I had been trying to avoid it but allowed myself to be talked into attending.

It is the ugliest entertainment I have ever seen.

No wonder some psychologists say it can do lasting damage to a young person's mind. I'm having trouble forgetting some of the terrible scenes, and I'll be very relieved if they ever leave my mind permanently.

Last year "The Sting" and

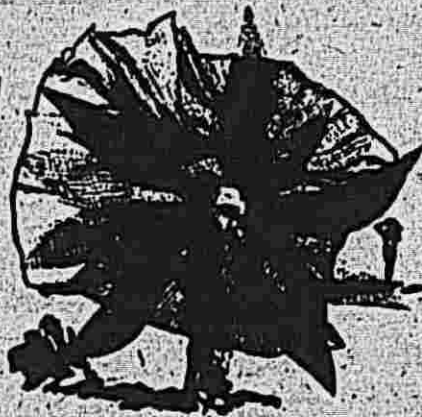

"The Exorcist" received most of the Academy Award nominations. Then Hollywood gave most of the Oscars to "The Sting," one of the most delightful movies I have seen. They rightfully shunned "The Exorcist," which is entertainment not to be encouraged.

I highly recommend that movie as one to avoid and, if it's not too late, make sure your children miss it, too.

life I had to call a fire department Sunday.

Went out to start my car and, instead of the engine turning over, I was greeted by black smoke and flames leaping from beneath the hood.

It turned out to be something about a gas leak being ignited by a spark.

At any rate, I bounded back into the house, frantically opened the phone book and, lo and behold, found the fire department's number on the inside cover. (I had never

appreciated the fact that it was there.)

I managed to get my finger in the right seven numbers and a lady answered.

"My car's on fire!" She took the address and assured me the fire department would be there in moments.

Sure enough, sirens followed and within a very short time about six volunteer firefighters arrived on a truck and put out the fire.

I must have gotten them out of their homes and away from

the Sunday afternoon football games.

But they were happy to help. The best way to learn to appreciate those fellows is to need them once.

NIPC Urges RTA To Pick Chairman

The Northeastern Illinois Planning Commission voted to draft a resolution urging the Regional Transportation Authority to elect a chairman as soon as possible.

The motion followed the Commission's adoption of the

1995 Transportation System Plan and the five-year Mass Transit Development Program. Discussion noted that the enabling act of both RTA and NIPC give NIPC some responsibility for planning regional public transportation.

Deer Hunters Bag 10,340

Illinois deer hunters harvested a record 10,340 whitetails during the first three days of the six-day season. Good weather was largely responsible; however, biologists in the Department of Conservation felt that if more corn had been harvested prior to the season, the totals would have gone even higher.

Department of Agriculture officials estimate 40 percent of the corn crop still is unharvested.

Southern Illinois hunters bagged 4,746 deer, including 1,054 in Williamson County. An

estimated 800 of these deer were taken from Crab Orchard National Wildlife Refuge lands. Pope County hunters took 773 deer during the three days.

Central Illinois shotguns accounted for 3,495 deer, with Pike County recording 338, and Adams County hunters accounting for 302.

Northern Illinois counties produced 2,099 deer, including 418 in Jo Daviess County, and 286 in Carroll County.

The hunt was marred by two reported accidents, neither of which were fatal, and 530

arrests, most for neglecting to wear vivid colored clothing during hunting hours, which is a legal mandate for those afield during the shotgun deer season.

Although biologists did not weigh deer this year, the largest known animal taken was a buck that weighed 285 pounds when field dressed, taken by Don Clark, Princeville, in Peoria County.

Last year, Illinois shotguns took 9,579 deer during the first three days of the season, and finished with a record total of 13,730 whitetails.

CHRISTIAN SCIENCE CHURCH

In the Bible in St. John 5 we read of Jesus' healing of the man who had been ill thirty and eight years.

In the Lesson-Sermon entitled "GOD THE ONLY CAUSE AND CREATOR" this Sunday, this citation will be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy: "Divine Mind is the only cause or Principle of existence. Cause does not exist in matter, in mortal mind, or in physical forms."

Services at First Church of Christ, Scientist, BEACON HILL, Rt. 173 and Harden, Antioch, Illinois begin at 11 a.m. They are conducted by Mrs. Barbara Conzelman, First Reader, and Mrs. Lorraine Wirt, Second Reader. All are welcome.

Students Nominated For Academies

Congressman Robert McClory (R-Ill.) has nominated one Antioch youth and four other Lake County residents to compete with other young men from the 13th District for appointment to the United States Service Academies.

To the United States Air Force Academy:

George Jerald Pierce, son of Mr. and Mrs. William L. Redman, 512 Lake Ave., Channel lake, a senior at Antioch High School.

Andrew Willard Pucin, son of Mr. and Mrs. William Pucin, 405 Brittany Lane, Lindenhurst. He is a graduate of Antioch High School and now a private in the U.S. Marine Corps, stationed at 29 Palms, Calif.

To the United States Merchant Marine Academy:

Mark Alan Habenicht, son of Mr. and Mrs. George Habenicht, 315 West Ferndale, Round Lake, a senior at Carmel High School, Mundelein.

To the United States Naval Academy:

Robert Lawrence Blecke, son of Mr. and Mrs. Arthur E. Blecke, 2505 Timber Lane, Lindenhurst, a senior at Antioch High School.

Robert Jay Neuroth Jr., son of Mr. and Mrs. R. J. Neuroth, 101 Kerwin Drive, Indleside, a senior at Grant Community High School, Fox Lake.

Final selections from among the candidates will be made by the respective academies. Decisions are expected to be announced in the spring, at which time Congressman McClory will notify his candidates.

Referendum Questions and Answers

Editor's Note: On Saturday, Dec. 14, voters in Grade School District No. 34 will be asked in a referendum to increase the educational tax rate by 45 cents per \$100 of assessed valuation. Following are questions and answers supplied by the district to help inform voters.

Does any of this money go to the State?

No, none at all. State Aid money to schools comes from other places such as the State Income Tax, Sales Tax, the Lottery, etc.

When did the grade schools have their last tax rate increase

for operational expenses?

1967. What is the district present indebtedness not counting building bonds?

Our indebtedness accumulated over the years was \$215,165 in all operation funds as of July 1, 1974.

How much more are we going in debt this year alone?

Right now it looks like our indebtedness will increase by \$179,000 by July 1, 1975.

If we are going \$179,000 in debt for just this year why were the programs reinstated?

The Board reinstated the programs because they felt that our children were getting short changed in their education.

Is it true that this referendum, when passed, will not affect the taxes of many of our retired or disabled persons?

Yes. "The Senior Citizens Property Tax Relief Act" makes it possible for retired citizens over 65, or disabled citizens, to get a refund on their taxes if their taxes are more than 6 percent of their yearly income. Once a person is eligible for a refund, an increase in his tax bill won't make any difference unless his income increases because he will just get much more money back.

This Relief Act is also for retired or disabled renters. They will get a refund if their rent is more than 25 percent of their income.

These forms are available at any of the schools and at our local banks. School people from all the schools will be at the Antioch High School from 9 a.m. to 4 p.m. to help fill out the forms. No affidavits are necessary, just a statement of taxes or rent and the 1973 income.

Label-Saving Program Begins

The Antioch Upper Grade School student council has voted to participate in the Colgate-Palmolive School Action Plan.

The play pays school organizations for collecting labels from 13 of the company's products.

The student council is considering the purchase of gymnastic equipment with the money it raises. A student council spokesman said that the local A&P, Pay-Less and Jewel food stores will have drop-off boxes to help collect the labels.

More information on the project can be obtained by calling 395-1905.

Among the labels being sought are Ajax products, Dynamo Laundry Detergent, Irish Spring soap, Baggies, Curad bandages and Handi-wipes.

ABC's Of Travel

By BARB CORBIN

Many of you with family and friends coming over for a visit are a bit confused on what is happening on the tourist visas. As of now, this is the latest outcome which could have a big influence on many in our community.

The Immigration and Naturalization Service has proposed to limit foreign tourist visas to six months because it lacks sufficient man-power to process applications for extensions.

Currently foreign tourists can stay in the U.S. up to a full year by applying for extensions to the basic six-month visa. Washington said because of the required "manpower-hours" involved and the so-called rising costs, the extensions will be eliminated.

The U.S. Travel Service has taken over the matter and will be keeping us advised on the study of this new matter. This new policy will only affect those coming over for a visit and not those traveling to the U.S. on business who are still eligible for a visa extension.

Any of you who might be involved because of family or friends staying with you in hopes of extensions should see you local travel agent or write the Commissioner of Immigration and Naturalization, Room 7100-C, 425 Eye St. N.W., Washington 20536.

With the increase of air fares, the visits are becoming longer all the time and in less frequency. We in the business of travel are trying to keep you up to date on the latest changes but sometimes this is a bit difficult.
